## Ano ang Irrigation Management Transfer? (IMT)

Isang araw sa isang tindahan may tatlong magsasakang nagkukuwentuhan

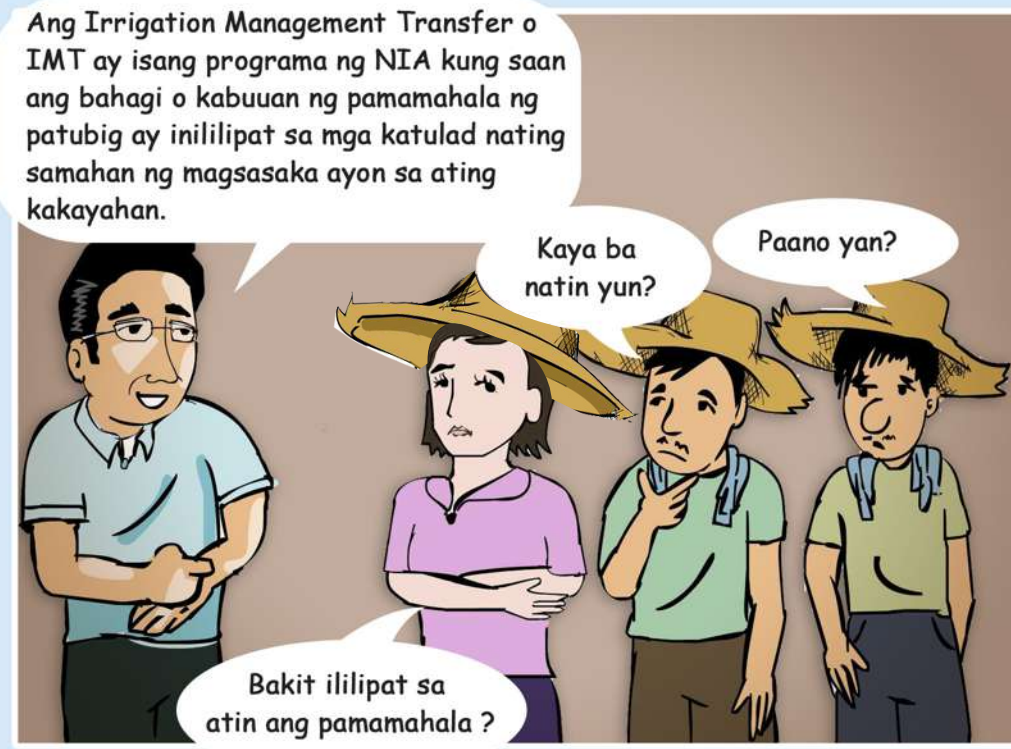

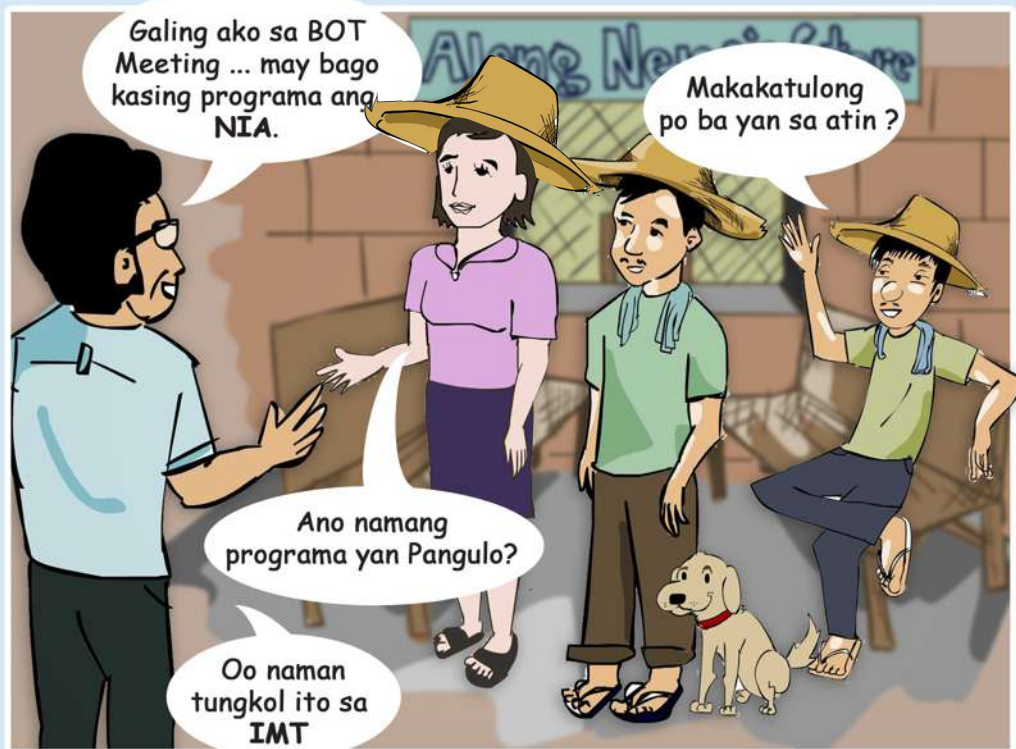

Nang biglang napadaan si Mang Andres, Pangulo ng IA

Kwentuhan muna tayo Pangulo

Magandang hapon po Mang Andres.

San po kayo galing Pangulo?

At dahil sa ganitong sistema, tayong mga gumagamit ng Irrigation System ay may pagkakataong diretsahang makakasama sa pamamahala at pangangalaga sa operation and maintenance. at kung gayon ay mapataas ang antas ng kalidad ng serbisyo sa patubig

mas masisiguro na natin ang pantay pantay na pamamahagi ng tubig para sa mga kasama nating magsasaka.

may oportunidad na mapahusay ang kakayahan na magpatakbo ng samahan at sistema patubig

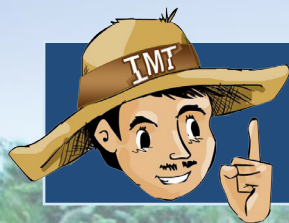

At mas magkakaroon pa tayo ng pagkakataon na mapalago ang pondo upang mgamit pa sa ibang pangangailangan ng IA mula sa IA-share at magkaroon pa tayo ng iba pang pagkakakitaan
